

## AT-HOME ACTIVITIES

### Family Activities

#### Prayer Jar Craft

As a family, work together to make prayer jars. For this, you will need popsicle sticks, jars, and coloring supplies.

Take a popsicle stick and write a type of prayer on it. There are some examples below. Make as many as you like, letting the kids help and decorate them. Then, put them in the jar.

Every day, choose a stick from the jar and have your child/ren pray for whatever is on the popsicle stick. Add more popsicle sticks as more prayer needs come up!

Examples:

- Pray for our family
- Pray for our church
- Pray that we follow God well today
- Pray for someone we know who is sick
- Thank God for something today
- Ask for forgiveness for something we messed up on
